

TorchNet::TorchNet

```
graph LR; A[TorchNet::TorchNet] --> B[ReLuKernel]; B --> B;
```

The diagram consists of two rectangular boxes. The left box is gray and contains the text 'TorchNet::TorchNet'. A straight blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'ReLuKernel'. A curved blue arrow starts from the top of the 'ReLuKernel' box and points back to the top of the same box, forming a self-loop.

ReLuKernel
